

Stock your sewing room with the latest notions, tools, fabric, books and more.

Bestow cute-as-can-be woodland charm on your projects with **Fox Hollow** from **Monaluna**. Owls, foxes, toadstools, acorns and elves dance across the 100% organic cotton fabric that would make a sweet baby blanket or little girl's patchwork skirt. [monaluna.com](http://monaluna.com)

Take your fabric stash on-the-go with **Swatch Buddies Reusable Fabric Swatch Fan Kit**. Arrange swatches any way you like on the ring holder, and then add important information, such as fabric content or manufacturer, to the optional labels. Eliminate the guesswork of finding matching fabric, thread and trim by having your swatches on hand when you shop. [shopsewitall.com](http://shopsewitall.com)

Save your fabric scissors when cutting through adhesive materials or fabric tape by adding **Havel's Non-Stick Scissors** to your tool kit. The PTFE coating ensures that the scissors won't stick to adhesives, and the long, serrated blades are also handy for cutting slippery fabrics. [havelsewing.com](http://havelsewing.com)

Sew and embroider with beauty and precision using the **Husqvarna Viking Ruby deLuxe**. The machine features the deLuxe stitch system that automatically selects the best settings to balance the needle and bobbin tension, no matter the thread type. The easy-to-use design positioning feature makes it simple to perfectly place and align embroidery designs. [husqvarnaviking.com](http://husqvarnaviking.com)
